5 WESTERN DISTRICT OF WASHINGTON
6 AT SEATTLE

7 IN RE: PHENYLPROPANOLAMINE
8 (PPA) PRODUCTS LIABILITY
9 LITIGATION,

MDL NO. 1407

10 This document relates to:

11 Tingle v. Bayer Corp., et al.,
12 No. 03-2478;

13 Terry v. Wyeth, et al.,
14 No. 03-3042;

15 Hicks, et al. v. Bayer Corp.,
16 et al., No. 03-2486;

17 Sykes v. Wyeth, et al.,
18 No. 03-3292.

ORDER GRANTING WYETH'S
MOTIONS TO STRIKE AMENDED
COMPLAINTS AND/OR DISMISS
FOR INSUFFICIENCY OF
PROCESS AND DENYING
PLAINTIFFS' MOTIONS FOR
LEAVE TO AMEND COMPLAINT

19 Wyeth filed motions to strike the amended complaints of
20 plaintiffs Carolyn Terry and William Sykes and/or to dismiss
21 these complaints for insufficiency of process. Wyeth claims that
22 when plaintiffs filed amended complaints pursuant to CMO No. 15,
23 each impermissibly added Wyeth as a defendant, and that even if
24 such additions were allowed, plaintiffs failed to effectuate
25 proper service on Wyeth. Plaintiffs Terry and Sykes responded
26 with motions for leave to amend their complaints to add Wyeth.

Having considered these motions, the court hereby GRANTS
Wyeth's motions to strike the amended complaints of plaintiffs

1 Carolyn Terry and William Sykes, and DENIES plaintiffs' motions
2 for leave to amend.
